About US

In the shimmering depths of the stationery realm, where tales of excellence and tradition intertwine, there exists a legendary entity known as Shark Stationery. In the year 2012, this storied establishment embarked on a transformative journey to rebrand itself, unveiling a new identity that would encapsulate the quintessential values of business, affordability, consistency, quality, and innovation — mirroring the very essence of its aquatic namesake.

The resounding echo of our commitment to excellence has reverberated across the educational landscape, as esteemed institutions have bestowed their resounding recommendations upon our products. Among the luminaries that have recognized the unrivaled merit of our offerings are none other than Karachi Grammar School, The City School Network, Smart Schools, and Lahore Grammar School Network, etching their prestigious imprimatur onto the annals of our enduring legacy.

With utmost humility and boundless enthusiasm, we beseech your gracious attention to allow us the privilege of a personal visit. We yearn to present to your esteemed institution and its students a veritable cornucopia of our prodigious product range, each item meticulously crafted to cater to their scholastic needs. We implore you to grant us this precious moment in time, wherein we can intertwine our destinies and embark on a voyage of mutual growth and prosperity.

BLACK LEAD PENCILS

Shark Stationery introduces a superior line of lead pencils, meticulously crafted for an exceptional writing experience. Our lead pencils are a testament to precision engineering, combining a smooth graphite core with a sturdy, break-resistant casing. Whether you're jotting down notes, sketching, or drafting, these pencils offer a perfect blend of smoothness and durability.
